Program Title: DSPATHS (Direct Support Professional Advancement through Training and Education in Human Services) Certificate Program

Instructor Information: Claudia Lima, DSPATHS Instructor/Training Manager.
Email: clima@arcbroward.com. Phone: 954-746-9400.

Program Description: The DS PATHS Certificate Program provides rigorous, comprehensive training and experience-based learning for Direct Support Professionals (DSPs) to augment the skills of seasoned professionals and develop skill sets for individuals new to human services or to direct care.

The DS PATHS Certificate Program is designed to create a competency-based and credentialed career path for Direct Support Professionals. Coupled with mentorship, experiential learning opportunities, and placement resources, DS PATHS will support students to find a career in this high-demand field. Each student who successfully completes the Certification of Initial and Advanced Proficiency class sessions and achieves a passing grade on program assessments will receive a DS PATHS Certificate.

Program Objectives/Student Learning Outcomes: The DSPATHS program provides a high-quality, state-licensed training Program for individuals to enter this field and strengthen the direct support, human services workforce in Broward County, South Florida and the state as a whole, ultimately improving the quality of support offered to children and adults with disabilities. The program incorporates classroom instruction, mentoring and externship (accelerated track only) opportunities to offer practical application of skills. The certificate program provides students the opportunity to:

1. Build skills necessary for persons working with individuals with developmental disabilities (DD) and other specialized care needs.
2. Enhance the direct support occupational image and profile with a state recognized professional certificate program.
3. Encourage increased commitment of workers to the field and their jobs.
4. Improve longevity/tenure in the critical frontline human/social services direct support workforce.

By the end of the **DSPATHS** program, students must be able to demonstrate the following performance objectives:

Program Skills

1. Develop proficiency in direct care practices, including professional and ethical standards
2. Explore practical and philosophical issues related to working with individuals with developmental disabilities and behavioral challenges

Academic and Professional Skills

1. Develop skills in communication, crisis management, advocacy and reporting
2. Gain training on workplace essentials such as conflict resolution, stress and anger management, timeliness and personal presentation
3. Integrate practical and theoretical learning

Personal Development Goals

1. Exhibit focus, flexibility and resourcefulness in diverse situations and settings
2. Demonstrate self-direction through establishment and achievement of personally challenging goals
3. Demonstrate professional responsibility

Program Requirements (include all extracurricular events with times/dates): Students enrolled in the Accelerated Track will take part in a 40-hour unpaid externship in one of Arc Broward's various programs to allow for on-the-job training. Students will rotate through the various sites including the residential programs, the adult day programs and vocational programs so that they have the exposure to and the experience of working in varying educational, residential, employment and habilitation programs to apply the classroom learning directly. Externships are not required for participants in the Program for Working Professionals as they are already working in the field and can apply learning to their current positions.

Evaluation Standards/Course Grading Policy: Arc Educates has established satisfactory academic progress (SAP) standards for students who apply for and/or receive institutional aid. SAP is a measure of whether a student is progressing adequately toward completion of his or her course of study. It is determined in terms of class quiz scores, final exam score and class attendance.

The DSPATHS Certificate program is 160 classroom clock hours with a 40 hour externship requirement (for Accelerated track students only). For students participating in the *Working Professionals track*, the externship may be waived with proof of current employed in a related human service position.

Student Academic Progress (SAP) standards apply to all students enrolled in the program. SAP is reviewed at designated times per program session, regardless of a student's receipt of financial aid. The reviews will minimally include the Director, the Instructor and the student and will occur at the time frames indicated:

- For students in the *Accelerated track*, reviews occur after the completion of the 1st, 2nd and 3rd weeks.
- For students in the *Working Professionals track*, reviews occur after the completion of the 2nd, 4th and 6th months.

The Director, or his/her designee will document the review on the "Satisfactory Academic Progress" form which will be signed by all in attendance. The form will be maintained in the student's central record.

The following benchmarks are required to earn a CERTIFICATE:

- ✓ The student is required to make quantitative progress toward program completion. To be making satisfactory academic progress, a student must attend at least 85% of the scheduled class hours on a cumulative basis (136 class hours/17 days present or 3 day absent). Additionally, a student must complete at least 85% of the required homework assignments (34 of 40 assignments). Homework assignments are not graded.
- ✓ The student's academic average is reviewed to determine qualitative progress. The minimum required is 75% at mid-term and final exam assessment. Students will be given up to two attempts to achieve a passing score on each exam.

Final grades will be based on the student's performance in the following activities:

ACTIVITY	WEIGHT
Mid-term Exam	25%
Final Exam	50%
Attendance (attended at least 85% of classes = 100%. Attended less than 85% of classes = 0%)	25%
TOTAL	100%

Incomplete grades are not given. Course work repeated may adversely affect a student's academic progress in terms of the maximum time frame.

Students who withdraw from the program will receive a grade of 0% in each class interrupted by the withdrawal. All interrupted classes must be repeated upon readmission to the program.

Warning/Probation/Dismissal

If a student fails to meet the cumulative 85% attendance, 85% homework completion and/or 75% mid-term grade during a review period, he/she will be notified in writing that he/she is being placed on warning and the steps necessary to be removed from warning status. Students will

receive attendance or academic counseling, from the School Director, as appropriate, when they are placed on warning.

If a student who has received a warning fails to meet the cumulative 85% attendance, 85% homework completion and/or 75% on the mid-term during a subsequent period, he/she will be notified in writing when he/she is being placed on probation and the steps necessary to be removed from probation status. Students will receive attendance or academic counseling, from the Director, as appropriate, when they are placed on probation.

If the student who has been placed on probation fails to meet the cumulative 85% attendance, 85% homework completion and/or 75% on the mid-term during a subsequent period, he/she will be dismissed from the current program session. Upon dismissal for failing to maintain SAP, the Director will provide written notification to the student as to the recommended reentrance date.

Upon dismissal for failing to maintain SAP, the Director will provide written notification to the student as to the recommended reentrance date. The student must inform the Director of Arc Educates of any changes to that timeline in writing prior to the recommended reentrance date. If the student is unable to start at the next program session start date, he/she will be required to reapply for the program at a later date, complete all sessions including those previously taken and sign a new Student Enrollment Agreement upon re-entrance to the program including new program session dates and estimated completion timeline.

Appeal Process

A student may submit a written appeal of his/her dismissal within five calendar days of their receipt of the dismissal notice to the Vice President/Programs & Social Enterprises. The appeal must be accompanied by the documentation of the mitigating circumstance that have prevented the student from attaining satisfactory academic progress and evidence that changes have occurred to allow the student to now meet standards of satisfactory academic progress. Only extraordinary circumstances will be considered, such as death or severe illness in the immediate family. Before the appeal may be granted, a written academic plan must be created with the student which identifies a viable activities for the student to successfully complete the program within the maximum timeframe allowed. The result of the appeal (granted or denied) will be made within 5 business days and must be catalogued in the Student Transcript and provided to the student in writing.

If the appeal is granted, she/she will be placed on probation at the start of the session, and will be required to attain satisfactory progress. Failure to do so will result in permanent dismissal.

Maximum Time Frame

All program requirements must be completed within a maximum time frame of 1 times the normal program length, as measured in calendar time. The DSPATHS program - 4 weeks in length for *Accelerated track* and 10 months in length for the *Working Professionals track* - must be completed within during the next available course offering. Time spent on an approved leave of absence is not counted against the maximum time frame. Students exceeding the maximum time frame will be administratively withdrawn.

Program Outline: The Instructor to student ratio is 1:5-10. Students in this program are all adult learners and do not require extra instructional support. The below listed course numbers are made up of numbers and letters that represent the name of the program and the sequence of the courses as delineated by the Ohio Alliance of Direct Support Professionals (OADSP). Arc Broward follows the OADSP course numbering system to assign courses in accordance with DS PATHS program requirements. The OADSP course numbering system is designed to identify courses and differentiate the level of study. Note that courses are numbered sequentially and assigned a letter prefix depicting the program title.

Externship Hours: 40 clock hours

Students participating in the Accelerated Program must complete a mandatory 40 hour, unpaid externship

Other (optional): To successfully complete the certificate program, all coursework and lab work must be completed in 160 clock hours plus the 40 hours of externship required for the Accelerated Track.

Attendance Policy: Students are expected to maintain excellent attendance practices to help develop the skills, knowledge, attitude and behavior necessary to succeed in post-secondary education and employment.

Minimum standards of attendance for completion/graduation have been determined and are consistent with sound education and any applicable attendance requirements of state, federal, accreditation, and/or professional licensing agencies.

A student must attend at least 85% of the scheduled class hours on a cumulative basis (136 class hours/17 days present or 3 days absent) during the course. No more than 2 consecutive, unexcused days may be missed. Students will be given a reasonable amount of time to complete any work missed during an absence: 10 business days.

Absences due to religious observations and funerals will not be counted toward this policy. Sickneses greater than 3 days, when accompanied by a physician's note, will not count toward the limit. All other absences will be counted for the purposes of this policy.

Students are expected to arrive on time for classes, and three late arrivals will be considered an absence.

Under no circumstances is any student permitted to leave the grounds without proper approval. Only the Director of Arc Educates may grant approval for early dismissals. No student will be permitted to leave unless a written request is presented and approved. Early dismissal requests must have the following information: student's full name, parent's signature (if legal guardian), reason for request, home/cell phone number and time of dismissal. The Director reserves the right to revoke early dismissals not submitted at the proper time and will check on the legitimacy of any early dismissal notes when deemed necessary. Early dismissals should be limited to two (2) during the entire course.

A student who is in violation of the Attendance Policy may not receive credit for the courses in which he/she is enrolled, and may be denied the opportunity to continue his/her program.

Special Accommodations: Arc Educates complies with the Americans with Disabilities Act and strives to ensure that no individual with a disability is deprived of the opportunity to participate in the program solely on the basis of that disability. Arc Educates will provide reasonable accommodations for students with disabilities. Reasonable accommodations may include priority seating, enlargement of notes, handbooks on CD, testing accommodations, and/or assisting with lifting, depending on the student's documentation and specific functional limitations.
