Special Lane Closure tonight, Thursday, June 17

I-95 HOV Expansion, from Donald Ross Road (exit 83) north to S.R. 706/Indiantown Road (exit 87A/B)

The $43.5 million, 4.5-mile construction project will expand the existing six-lane interstate to 10 lanes, which includes one general-purpose lane and one High Occupancy Vehicle (HOV) lane in each direction and additional auxiliary lanes. The project includes widening of the existing bridges over Donald Ross Road and the C-18 Canal; ramp improvements; sound barrier and retaining wall construction; signalization enhancements; new signing, pavement markings, lighting; and landscaping, including irrigation. The work began August 21, 2008 is being performed by Posen Construction. Construction is expected to be completed spring 2012.

Restrictions: There will be an emergency lane closure tonight, 9 p.m. to midnight, Thursday, June 17, on I-95 approaching the southbound exit ramp to Donald Ross Road for placement of a concrete sign foundation. The southbound outside lane will be closed for about 200 yards. The southbound exit at Donald Ross Road will not be closed, but motorists should use caution in this area.
