Dear Mr. Newstein:

We were just reviewing our spreadsheet of deliverables for 2005-2006, and I wanted to be sure that I sent you a final copy of Alpert Jewish Family & Children's Service of Palm Beach County's **FINAL Certification Assessment Report** for your files, with the updated Attachment A to reflect the documentation provided by your staff regarding the status of your Agency's insurance coverages.

As you know, the final report for your Agency reflects that Alpert Jewish Family & Children's Service is in full compliance with all **mandatory standards (M)** for nonprofit agency certification and over 98% of the best practices (M).

Congratulations to your Board and staff for your ongoing commitment to excellence in nonprofit management.

Sincerely,
