Jenni Frumer and Neil Newstein
Alpert Jewish Family and Children's Service
4605 Community Drive
West Palm Beach, FL 33417

Dear Jenni and Neil:

Linda and I would like to thank you as well as your staff for your professional courtesy and assistance during our on site monitoring visit last week. It truly makes the review go much smoother when a site is prepared in advance and we truly appreciate your attentiveness to every possible detail.

This letter will be followed within thirty days by a comprehensive Legacy Corps monitoring assessment, but we would like to officially report in advance that there were no material findings or items of noncompliance. We completed sample compliance tests on fiscal, administrative and programmatic areas and all areas were found to be in order. Additionally, the highlight of our visit was the focus group with the volunteers and staff of the project. The volunteers are a true testimony to the wonderful service for caregivers and the community that is being provided through the efforts of the Alpert Jewish Family and Children's Service (AJFCS) Legacy Corps program.

The University of Maryland Center on Aging is proud to have AJFCS as a partner in the Legacy Corps project. Your efforts are truly making a difference in the lives of frail elders and we truly appreciate the above and beyond contributions of each of you who make your Legacy Corps project not only possible, but outstanding.

Sincerely,

Jack Steele, Director
Legacy Corps
