

You're invited ...

Dear neighbor,

We'd like to invite you to **BRIDGES**, one of 10 neighborhood gathering places across Palm Beach County for families just like yours.

We offer tons of free services, like:

- Tips and workshops for parents
- Healthy ways to help your child grow and learn
- Help finding community resources
- Use of our lending library and business center (computer, fax, etc.)
- And much more

Most importantly, we offer a welcoming place you and your family can come to share news, have fun together and make lifelong friends.

Want to know more about how to become a **BRIDGES** member? Please take a card. Stop in or call your nearest **BRIDGES** center.

We can't wait to meet you and your family!
