

INCLUSION SERVICES ARE HERE!

The Inclusion Specialist “can provide assistance and consultation to child care centers and family day care homes regarding health, developmental, disability, and special needs issues of the children they are serving, particularly children with disabilities and other special needs. [They] can provide onsite technical assistance to assist child care centers and family day care homes with inquiries relative to the strategies, curriculum, and environmental adaptations the child Care centers and family day care homes may need as they serve children with disabilities and other special needs”.

Services Provided:

- ✚ Onsite technical assistance at a child care provider
- ✚ Phone technical assistance for parents and providers

Trainings to support parents and providers including:

- Developmental Screening
- Child Development
- Challenging Behaviors
- Special Needs
- Classroom Management
