

Developmental Screening Results Letter

Dear Parent/Caregiver,

Thank you for completing the recent Ages & Stages Questionnaire for your child. We would like to schedule time to talk to you about your responses and your child's development. Your responses on the questionnaire show that your child may benefit from further assessment through the Healthy Beginnings program described below. Please contact us at your earliest convenience.

The Early Learning Coalition of Palm Beach partners with HomeSafe to coordinate access to early intervention supports through the Healthy Beginning's program. A HomeSafe representative will be contacting you shortly to discuss potential next steps for you and your family. Please note that all screening, assessments and early intervention services are voluntary and confidential. For further information on developmental screening and next steps contact HomeSafe at 888-634-7900 or visit their website at <http://www.helphomesafe.org>.

You will receive another questionnaire in the upcoming months. Please remember that it is very important to complete all items, and return the questionnaires as soon as you finish them. Feel free to contact us if you have any questions.

Sincerely,
