1. Provide a brief summary of your project and objectives:

2. Please describe the project results as it relates to your original objectives, as well as any outcomes that you did not anticipate:

3. As a result of this project and grant award, did you generate any noticeable improvement in the students' academic performance? If Yes, can this be supported by tangible data? Please explain and include examples of data collected.

4. Did you encounter any unforeseen problems or challenges while implementing this project? If so, explain how you managed them and what you might do differently in the future.

5. Can this project be easily replicated at little or no cost? Do you plan to share what you have learned with other teachers?

6. Funds Management: Please provide some brief feedback on how the ClassWallet online system worked for helping you manage your grant funds and expenditures. Please indicate any difficulties you had with the system and if ClassWallet was successful in providing you a solution.

7. Please feel free to add additional comments. We ask that you share project photos or highlights with the Foundation. Please email them to: Programs@EducationFoundationPBC.org. Please make sure parents/guardians of students appearing in pictures have given their signed permission to allow their child to appear in photographs. Thank you!
