Reservation General Information

- No special requests are taken for time or court assignment. We know you have to go to work, the airport, play bridge, get your teeth cleaned or sleep in, but we don't make exceptions. Court 9 may be your favorite court but is equally loved by 90 other players...you may like a shady court, but so does another 100 players...Everyone has an equal chance at a time and court assignment.
- All tickets are treated equally.
- This is a lottery system. You are requesting a time but we cannot guarantee the time will be available.
- Round Robins and large groups are not guaranteed in prime time.
- If you are unsure if you put a slip in or the times are correct, please put in another ticket marked "revised". Staff can't go through the stacks of tickets in search for yours.
- Ladder matches still get 1 1/2 hours of play. Starting later in the day gives you a chance of not being bumped.
- If you are put on the wait list, you will be called if a court becomes available.
- It is the responsibility of the captain to find out what time you play & let all your players know.
- Court assignments are given out at Check-in the day of play.
- No shows will not be given a court time for the next requested day.
- Rain Delays all reservations are cancelled. Courts will be given out on a first come first serve basis. Entire party must be present.
- If you are 10 minutes late for your court reservation, you may lose your court.
