INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Treasure Coast Health Council, Inc.
Palm Beach Gardens, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of Treasure Coast Health Council, Inc., d/b/a Health Council of Southeast Florida (the "Organization"), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

PARTNERS

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Treasure Coast Health Council, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements of the Organization taken as a whole. The accompanying schedule of functional expenses and the schedule of expenditures of federal awards, as required by *Office of Management and Budget Circular A-133, Audits of States, Local Governments and Non-Profit Organizations* are presented for purposes of additional analysis, and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated March 12, 2016 on our consideration of Treasure Coast Health Council, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Treasure Coast Health Council, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

NOTE 1- ORGANIZATION

Treasure Coast Health Council, Inc. (the "Organization" or "HCSEF") is one of eleven local health planning councils established by section 408.033 Florida Statutes to conduct comprehensive health planning in the five county region of southeast Florida that includes Palm Beach, Martin, St. Lucie, Okeechobee, and Indian River Counties. In addition, the Organization supports the provision of HIV services under state and local grants, and is contracted with the University of South Florida to provide Navigator services under the Affordable Care Act of 2010.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

FINANCIAL STATEMENT PRESENTATION

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Under Financial Accounting Standards Board ("FASB"), Accounting Standards Codification ("ASC") Topic 958-210, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. The Organization has no assets that are temporarily or permanently restricted.

CASH EQUIVALENTS

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

GRANT REVENUE AND RECEIVABLE

Grants receivable consists of federal and state awards from various agencies, as well as fee for services contracts from non-government entities. These grants are on either a cost reimbursement basis or fee for service, including recoverable overhead. Grant revenues are deemed earned and reported as unrestricted support when expenses are incurred in compliance with specific grant agreements. Management reviews the collectability of grants receivable and assesses the need for an allowance for doubtful accounts. There was no allowance for doubtful accounts at June 30, 2015 and 2014. Expenses are recorded when incurred; unpaid expenses are recorded as accounts payable and accrued expenses.

TREASURE COAST HEALTH COUNCIL, INC.
D/B/A HEALTH COUNCIL OF SOUTHEAST FLORIDA
(A Non-Profit Corporation)

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PROPERTY AND EQUIPMENT

Property and equipment purchased by the Organization are stated at cost. Major additions which materially increase the value of the property are capitalized and depreciated on a straight-line basis over the estimated useful life of the asset (3-5 years). Maintenance and repairs are charged to expense as incurred. The Organization follows the practice of capitalizing all expenditures for property and equipment in excess of \$1,000.

DEFERRED REVENUE

The Organization reports deferred revenue on its financial statements when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when the Organization has earned the revenue, the liability for deferred revenue is reduced and revenue is recognized.

FUNCTIONAL ALLOCATION OF EXPENSES

The cost of providing the various programs and other activities of the Organization have been allocated among the programs and supporting services benefited.

INCOME TAX STATUS

The Organization is incorporated in the State of Florida as a nonprofit organization and has qualified as a tax exempt organization under Internal Revenue Code ("IRC") Section 501(c)(3), and as such, is only subject to Federal income tax on unrelated business income. There was no income tax resulting from unrelated business income during the years ended June 30, 2015 and 2014.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. If the Organization were to incur an income tax liability in the future,

(A Non-Profit Corporation)**

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INCOME TAX STATUS (CONTINUED)

interest would be reported as interest expense and penalties would be reported as income taxes. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Organization's tax returns remain open for federal income tax examination for three years from date of filing.

USE OF ESTIMATES IN THE PREPARATION OF FINANCIAL STATEMENTS

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, support and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 — RISKS AND UNCERTAINTIES

SUPPORT FROM OUTSIDE AGENCIES

The Organization receives most of its support from government and other grants. A significant reduction in the level of this support, if it were to occur, could have a significant effect on the Organization's ability to continue services and activities.

Grant revenue amounts are subject to audit and adjustment. If any expenses are disallowed by a grantor agency as a result of an audit, any claim for reimbursement would become a liability of the Organization. In the opinion of management, all grant expenditures are in compliance with the terms of the grant agreement and applicable laws and regulations.

CONCENTRATION OF RISK

The Organization maintains cash balances at one financial institution. The Federal Deposit Insurance Corporation ("FDIC") insures depositors up to \$250,000. At certain times during the year, the Organization had amounts on deposit that were in excess of the federally insured limits. Cash is maintained at a high quality financial institution, which the Organization believes limits its credit risk.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

NOTE 4 – PROPERTY AND EQUIPMENT

	2015	2014
Furniture and Equipment	\$ 96,043	\$ 96,043
Less Accumulated Depreciation	<u>(85,141)</u>	<u>(79,860)</u>
Property and Equipment, Net	<u>\$ 10,902</u>	<u>\$ 16,153</u>

NOTE 5 – COMMITMENTS AND CONTINGENCIES

OPERATING LEASES

The Organization leases office space and office equipment with lease terms extending through 2018. Total rent expense for both equipment and office space for the years ended June 30, 2015 and 2014 was approximately \$91,000 and \$87,000.

The following is a schedule of the estimated future minimum lease payments required on operating leases as of June 30, 2015.

For the Year Ending June 30	Amount
2016	109,663
2017	111,748
2018	42,630
2019	-
Total	\$ 264,041

The office lease is subject to common area maintenance which is \$2,063 per month at June 30, 2015 and 2014. The lease is also subject to annual increases, but can increase no more than 4% for controllable expenses, as defined, over the term of the lease. FASB ASC No. 840, Leases generally calls for escalating payments over the term of the lease to be amortized over a straight line basis. The difference between actual rent payments and the straight line basis is recorded as a deferred rent obligation.

**TREASURE COAST HEALTH COUNCIL, INC,
D/B/A HEALTH COUNCIL OF SOUTHEAST FLORIDA**

(A Non-Profit Corporation)

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

NOTE 5 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

LITIGATION

From time to time, the Organization may be involved in legal proceedings arising in the ordinary course of business. As of June 30, 2015 and 2014 the Organization is not aware of any significant litigation that could have a material adverse effect on the Organization's financial position, results of activities or cash flows.

NOTE 6 — LINE OF CREDIT

The Organization has a line of credit agreement with a maximum borrowing amount of \$150,000, which is secured by all of the assets of the Organization and is renewable at least annually. Borrowings under this agreement bear interest at the Bank's Prime Rate plus .6%. As of June 30, 2015 and 2014, no amounts were outstanding. The agreement is due on demand and was renewed on August 24, 2015 with a next renewal date of August 26, 2016.

NOTE 7 — PENSION PLAN

The Organization has a defined contribution pension plan covering all employees who meet the age and service requirements, as defined. A discretionary contribution is determined by the Organization each year, and is allocated pro rata based on compensation and fully vests in five years. The Organization contributed an amount equal to 5% of the eligible employee's base into the plan. Contributions to the plan were approximately \$18,000 and \$13,000 for the years ended June 30, 2015 and 2014, respectively.

NOTE 8 — SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 12, 2016, the date the financial statements were available to be issued.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Treasure Coast Health Council, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, the financial statements of Treasure Coast Health Council, Inc., d/b/a Health Council of Southeast Florida which comprise the statement of financial position as of June 30, 2015, and the related statements of activities and net assets and cash flows for the year ended June 30, 2015, and have issued our report thereon dated March 12, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Treasure Coast Health Council, Inc.'s internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Treasure Coast Health Council, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Treasure Coast Health Council, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Treasure Coast Health Council, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Board of Directors
Treasure Coast Health Council, Inc.

Report on Compliance for Each Federal Program

We have audited Treasure Coast Health Council, Inc.'s, d/b/a Health Council of Southeast Florida (a nonprofit organization) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended June 30, 2015. Treasure Coast Health Council, Inc.'s major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of law, regulations, contracts, and grants applicable to its major federal program.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for Treasure Coast Health Council, Inc.'s major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Treasure Coast Health Council, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Treasure Coast Health Council, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Treasure Coast Health Council, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of Treasure Coast Health Council, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Treasure Coast Health Council, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Treasure Coast Health Council, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEARS ENDED JUNE 30, 2015

NOTE 1- BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "schedule") includes the federal grant activity of Treasure Coast Health Council, Inc., d/b/a Health Council of Southeast Florida under programs of the federal government for the year ended June 30, 2015. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget ("OMB") Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the schedule presents only a selected portion of the operations of Treasure Coast Health Council, Inc., it is not intended to and does not present the financial position, changes in net assets and cash flows of Treasure Coast Health Council, Inc.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.
