

West Palm Beach Golf Course
Dedicated to serving the public since 1947

September 19, 2011

Greetings!

Welcome to a new year at the West Palm Beach Golf Course. We are very excited about the progress the course has made this summer and are proud to offer some exciting new "Membership's the Right Score for You" opportunities this year. This former PGA Tour site, with five teeing options ranging from 7002 to 5023 yards, will challenge the best players while it entertains all who play.

After only our second growing season, you will find the roughs thicker and fairways better defined. The greens, fairways, teeing areas and practice facilities have been aerified and fertilized multiple times this summer improving their playability. Cart crossing paths between fairways have been constructed through many natural sand areas to help assist golfers. Our new Director of Golf, Rick McGee, has been busy this summer refreshing the pro shop and has new exciting merchandise coming in for the Fall. These are just some of the ways we have been working to make your experience at West Palm Beach Golf Course the best ever.
