

Welcome!

The West Palm Beach Golf Course was built on this site in 1947 by renowned golf course architect Dick Wilson. This unique South Florida design was strong enough to host a PGA tournament from the 1950's through the early 1960's and friendly enough to be enjoyed by millions of golfers of all skill levels over the past sixty years.

The City of West Palm Beach is proud to introduce this golf course again, fully restored to its classic design by Mark McCumber & Associates. We are proud to be your host and trust you will truly enjoy your round. Have fun, and thank you for playing!

- Starter governs play from the 1st & 10th tees
- Please do not practice on the playing area
- Please keep carts on paths around tees, greens, and par 3's.
- Please repair ball marks, bunkers, and fairways.
- Proper golf attire is required.
- Please keep pace with your leading group.
- The rules of the USGA govern play.

Please be aware of any hazardous weather conditions
and take appropriate actions to ensure your safety.
