

# E-Zee Tear<sup>®</sup> Washaway

~ *Medium and Heavy Weight Tear Away Washaway Stabilizers*

E-Zee Tear<sup>®</sup> Washaway 1.5 oz. and 2.0 oz. are medium and heavy weight Tear Away stabilizers that disintegrate and disappear when the garment they are used on is laundered. Use when the back side of embroidery may be visible, such as with linens and towels. Along with linens and towels, they are ideal for use with medium size designs. After tearing excess stabilizer away, the remainder dissolves during the first wash.\*

## How to use Tear Away Washaway Stabilizers

1. Be sure that your hands and work area are dry before handling.
2. Cut a piece from a roll or use a piece of pre-cut E-Zee Tear<sup>®</sup> Washaway to fit your hoop size.
3. Hoop by placing the stabilizer underneath the garment.
4. Embroider the design and remove the embroidered item from the hoop.
5. Tear the excess stabilizer away from the design. Remove as many pieces from inside the design as possible.
6. Run the garment through a wash cycle of a machine to remove the excess stabilizer\*.

Available in these sizes:

Pre-cuts - 250 pieces per pack

- 6" x 6"
- 7.5" x 8"
- 14" x 15"

Rolls

- 28" x 50 yards
- 28" x 100 yards

Available in white

\*Due to varying water conditions, it may be necessary to launder the garment more than once to remove all of the excess stabilizer. Continue normal washing until the desired effect is achieved.
