Madeira's finely spun wool blend is a 50% wool, 50% acrylic embroidery thread. It is great for stitching onto knitwear and looks beautiful as chenille, loop pile or chain stitch embroideries. For fashion, knitted goods, ethnic country style or traditional folk costumes, embroidery with Burmilana completes the 'wool on wool' natural effect. For best results please use a #100/16 needle, reduce machine speed and adjust tension to accommodate the difference in thickness and texture. When digitizing for Burmilana be sure to set the digitizing to a density of 9 to accommodate the thickness of the thread.

BURMILANA 12 - A wonderful soft and wooly lifestyle thread. The high percentage of wool adds a new dimension to embroideries, creating a unique appearance and also reduces stitch count.

BURMILANA CO - Very soft and cool due to the high cotton content, the perfect alternative for a fresh and summery look. Oeko - Tex Standard 100 Class 1 (Baby-Standard!)

*** ATTENTION ***

Madeira guarantees our machine embroidery thread according to the specifications and washing instructions given. Please note these instructions and specifications before attempting to launder, dry clean, press, ect. any embroidered article. As we have no control over such applications, Madeira cannot be held responsible for any damages which could occur if our instructions and specifications are not followed.
