

Nonprofit Board Members Join Us

March 9-11, 2010

Palm Beach County Convention Center

With many sessions to choose from, I'd like to encourage you to attend Dr. Cathy Trower's session on *Board as Team - High Performance Culture*, intended as a networking and learning opportunity for board members and CEOs on March 10, 2010 8:30 a.m.

Dr. Trower, a board governance expert and faculty member at Harvard University's Graduate School of Education, will discuss how leaders can create a team environment and a culture of inquiry in the boardroom. Following the Plenary Session, Dr. Trower will present an "invitation only" session for Executive Directors/CEOs and board members on enhancing board effectiveness during challenging times. Please join us for a continental breakfast beginning at 7:45 a.m. We are offering board members a special fee of \$50 to attend this special Board Networking Event. Contact Sonia Santos at ssantos@nonprofitsfirst.org or 561-910-3891 for Board Event registration. For more conference details click here: [Florida Nonprofit Conference 2010](#)

We hope you will consider attending the conference in its entirety. You may, however, choose to register for one day, Wednesday, March 10, which includes breakfast, Plenary Session, Board/CEOs workshop, two additional workshops, lunch, and the closing presentation with Sharon Bock, Palm Beach County Clerk & Comptroller, who will present the annual Nonprofit Best Practices Award.

All of us at Nonprofits First appreciate your interest in our programs and services and look forward to your participation at the **Florida Nonprofit Conference**.
