Feral Cat TNR Trap Rental Agreement

I understand that by signing this agreement I certify the following:

I will use this trap for its intended purpose which is to safely and humanely capture free roaming cats to bring to Peggy Adams Animal Rescue League for feral cat TNR which includes spay/neuter, vaccinations, microchip and left ear tip and I will return the cat to the same location where trapped. I will not use the trap for any other purpose including, but not limited to catching and/or relocating wildlife or relocating feral cats.

The rental period for this trap is two (2) weeks and I understand there is a \$75.00 deposit.

Upon return of the trap I will receive a reimbursement of \$65.00 which is the deposit minus a \$10.00 two week rental fee. If I paid with a check or cash, the refund will be sent via a check from Peggy Adams and may take up to 30 days. If I pay with a credit card the deposit will be refunded to my credit card.

I further understand that if I fail to return the trap after the two week rental period I will not receive a refund and the trap will be considered a purchase.

I will return the trap in the same good condition that I received it. If I damage the trap a refund will not be provided and will be considered a purchase.

These terms are accepted by the renter upon delivery of the trap.
