

Quantum House Special Event Volunteers

We need your help this event season. When you volunteer at a special event you are directly impacting Quantum House families by raising awareness and funds for the House. Your time, talent and professionalism are key ingredients to a special event and we appreciate you lending them to QH!

Please contact Megan and Elizabeth by emailing mthompson@quantumhouse.org and eportmess@quantumhouse.org OR call 561-494-0515.
