

Monthly Networking & Program Events

The Women's Chamber offers extensive opportunities to learn, grow and share with your fellow members and guests. Program luncheon meetings feature compelling speakers on diversified subjects while evening mixers allow quality time for networking and in-depth sharing of insights with colleagues.

Women's History Month Celebration

Every March, this celebration acknowledges the selfless contributions made by area women, culminating in a special evening recognizing women who have "stuck their necks out" to enhance their community. The Giraffe Awards are recognized as a significant tribute to the women of Palm Beach County.

Committee Opportunities

The Women's Chamber provides many opportunities for our members to participate in fantastic committees which will assist with their personal and professional growth. Members are encouraged to become an integral part of the inner workings of their Chamber.

On-Line Member Directory

All members have both an email and website link as well as a link to Google Map to your business on the Women's Chamber On-Line Member Directory. There is also an opportunity for members to upgrade their exposure with additional advertising on the Chamber Website as well as in the Chamber's e-newsletter *The Connection*.

Additional Member Benefits

Additional members benefits are listed in our Member Benefits Brochure. These include, but are not limited to, benefits through the Florida Chamber of Commerce Chamber Perks, networking opportunities with other Chambers through joint Chamber Events, ribbon cutting and grand opening events for your business and many more!

Women's Chamber Foundation

All members of the Women's Chamber also belong to the Foundation. The Foundation is the educational and development force of the Women's Chamber that serves its members and women in the community.

Our History

The Women's Chamber of Commerce of Palm Beach County was founded in April, 1994, by a handful of businesswomen who envisioned building an organization to empower women in their pursuit of the highest standards of professional excellence and success in Palm Beach County. From the beginning, the Women's Chamber has made and continues to make an impact on our community. We are a unique Organization, focusing on activities and issues of broad appeal from business networking to personal and professional development. Through its Foundation, the Women's Chamber promotes higher education through its Scholarship Program.

Our Mission

The Women's Chamber is the leading business organization dedicated to the advancement of women's economic success. Membership promotes professional opportunities, leadership development and legislative awareness.

Our Vision

The Women's Chamber acts as a dynamic voice in the business community and empowers women to achieve the highest standards of professional excellence and economic success.

Our Purpose

The purpose of the Women's Chamber is to advance the general welfare and prosperity of women in business and professions so that all citizens of Palm Beach County and all areas of the business community shall prosper; to promote the economic interest of the area, as well as civic, commercial, cultural, industrial and educational interest; and to engage in any activity or business permitted under the laws of the United States of America and the State of Florida.
